

Congratulations

On being chosen to represent
your School and Optimist Zone

at the

Optimist Mid-Western Ontario
District

Grade 5 Spelling Bee
Competition

The Mid-Western Ontario District Spelling Bee competition is on Saturday April 24th at the University of Waterloo, in the Arts Lecture Hall (map available). You are asked to be there by 9:30 AM for registration. Please remember to bring \$3 in coin for parking.

The competition will begin at 10 AM sharp and conclude hopefully no later than 1 PM. The rules for the District contest, are available on the Optimist web site (www.optimistmwo.on.ca).

There are 11 Zones competing with each Zone allowed to send 5 participants.

On behalf of the Optimist clubs from your Zone in the Mid-Western Ontario District, let me congratulate you on being one of five representatives. If you are unable to attend, please contact the person responsible for the spelling competition in the zone you are representing as soon as possible. This will allow a substitute to be selected.

Thanks for participating, it is much appreciated.
